The Dog Training Club of St. Petersburg is a licensed AKC club dedicated to dog training. All breeds and mixed breeds are welcome. The club is run entirely by volunteers. Membership is open to all persons but you do not need to be a member to take classes at our facility. You are welcome to stop by and visit us and see our classes on Monday through Wednesday evenings 6:00 PM - 9:00 PM.

Registering for a Class

- Our puppy training classes are for puppies up to 5 months old. Proof of two sets of puppy vaccines is required.
- Our basic obedience and manners class is for dogs 5 months and older. Proof of vaccines is required. No dog is too old to learn!
- Flyball class is for dogs at least nine months old. Proof of vaccination is required.

We limit the number of dogs in each class. Class registrations are on a first come-first served basis. A minimum of \$20 and an application are required to reserve a spot in class. You can bring it in or mail it in, but applications are not taken over the phone nor over the internet. Make checks payable to DTCSP. **We do not accept credit cards.**

Children

If you bring children with you, they must be supervised or old enough to not require supervision. Children are allowed to watch, but they must have an adult supervising them 100% of the time. They cannot run while in our facility and may not approach any dog without the owner's permission.

For the Owner

For class, wear comfortable sports-type clothes that are easy to move in and enclosed sports shoes that won't slip, slide or come off your feet. No flip-flops nor sandals are allowed.

For the Dog

Bring lots of pea-sized soft treats. Chicken, hot dogs, cheese or soft dog treats cut into small pieces work well. Bring whatever leashes and collars you have that fit this dog. No chain leashes or retractable leashes. We do sell the appropriate equipment.

Arriving

Please try to arrive early enough for your first class to complete your registration application, course fee and proof of shots before your first class.

Parking

Please park in the middle of the parking lot and not against the building nor in front of neighboring businesses. Be careful not to block a vehicle in by parking three cars deep.

Keep Your Dog Close

While in the training building, keep your dog close to your side on a short leash. Do not allow him to approach other dogs.

Exercise Area

We have a potty yard for your dog in the rear of the building. Let your dog go potty before class. Cleaning up after your dog is mandatory and easy: we provide all the equipment.

Getting There

Our classes are held at 4400-B 34th Street North, St. Petersburg. We are on the west side of 34th Street North (US 19 North). Our classes are held indoors in an air conditioned building in fully matted ring areas.
